

Swim Lesson Protocols at UVAC

For the School Year of 2020/21

We are excited to be opening swim lessons during the school year! Though these are extraordinary times, we are implementing “extra” ordinary measures to make our swim program as safe as possible! Please orient yourself to these new procedures to help you prepare you and your child for success!

- Please enter UVAC’s main entrance for all upcoming swim lessons
- Temperature taking at entrance for all
- Cloth masks required for all adults and children 2 years and older
- Masks on unless in the pool / watching parents please social distance
- Locker rooms and showers are now available, but we encourage quick changes and showering when you go home if possible. Even arriving with swimsuits under clothing could be a great strategy to enhance social distancing for all!
- Personal Goggles are required (we can no longer share goggles with you)
- Please don’t come if your child is feeling sick.
- Special Day Pass Rate for extended swimming!

Lesson Swimmer, plus immediate family may purchase half price day passes for extended swimming during lesson time block!

(or until another program limits use of warm water pool)

Adults: \$7 Children 3 years and above: \$3 **if lesson swimmer can swim on their own (no floaty) and the parent does not choose to swim, the parent does not need to pay to stay!*

Parent and Me only \$3

* We can accept registration cancellations for full refund up to 2 weeks prior to session start date. Otherwise UVAC credit will be offered.
