

Swim Lesson Protocols at UVAC

For the School Year of 2020/21

We are excited to be hosting swim lessons during the school year! Though these are extraordinary times, we are implementing “extra” ordinary measures to make our swim program as safe as possible! Please orient yourself to these procedures to help you prepare you and your child for success!

- Temperature taking at entrance for all
- Masks are required for all adults and children 2 years and older at UVAC. Masks should be worn up until starting an activity that involves going under the water! Swimming Lessons!!! Parents in “Parent and Me” and parents in the pool but not going underwater, please wear a mask or shield... (nifty reusable face shields available at the Welcome Desk for \$2 while supplies last!)
- Locker rooms and showers are available, but we encourage quick changes and showering when you go home if possible. Even arriving with swimsuits under clothing could be a great strategy to enhance social distancing for all! Please wear masks in the locker rooms!
- Personal Goggles are required (we can no longer share goggles)
- Please don't come if you or your child is feeling sick!
Email: kcox@uvacswim.org or kwyaman@uvacswim.org to discuss make-up options)
- Special Day Pass Rate for extended swimming!
Lesson Swimmer, plus immediate family may purchase half price day passes for extended swimming during lesson time block!
(or until another program limits use of warm water pool)
Adults: \$7, Children 3 years and older: \$3 **if lesson swimmer can swim on their own (no floaty) and the parent does not choose to swim, the parent does not need to pay to stay!*
Parent and Me: only \$3

* We can accept registration cancellations for full refund up to 2 weeks prior to session start date. Otherwise UVAC credit will be offered.
