# **UVAC Class Descriptions**

#### Boot Camp B,I,A

A powerful and challenging workout to improve cardiovascular endurance, muscular and core strength using a wide variety of moves. You will use an assortment of equipment such as steps, bosu balls, body bars and weights.

#### Boxing Circuit B,I,A

Learn basic boxing skills while getting a well-rounded workout. This class is designed for all skill levels, and is a great entry-level boxing and cardio class.

#### Cardio Kickboxing B,I,A

Cardio-focused with conditioning intervals, encompassing movements from multiple martial arts including karate, muay thai and taekwondo.

#### Circuit Training B,I,A

55 minutes of full body resistance training using balls, weights, body bars, bands and intense circuits for a total body workout in a group setting.

**Early Riser Strength B,I,A** A strength class that works the whole body. Use free weights, bands, balls, as well as body weight exercises. Participate in non-stop strength building exercises that will increase muscular endurance and get you ready to embrace your day!

#### Essential Conditioning I,A

A whole body workout designed to target all main muscle groups to improve overall strength and mobility. S'WET B,I,A This course uses a circuit structure that includes agility, Resistance, and a variety of equipment.

#### Kettlebell Strength B,I,A

A resistance training-based group class focused on improving and maintaining strength and muscle development using primarily kettlebells for a wide variety of movements, but other implements such as dumbbells and resistance bands will be utilized for variety and a well-rounded program.

#### Low-Impact Circuit Training B,I,A

A total body conditioning class that incorporated weights, physical and mental health of our body. The sequences bands, TRX, and balls through various circuits. The class will lead you through the wonderful practice in yoga is high intensity, but low impact on the joints, making it great for all ages and abilities.

#### Power Hour B,I,A

A challenging small group-based circuit style class with timed work and rest periods. You'll be performing various strength and conditioning exercises at a fast pace using dumbbells, kettle balls, TRX, and your own body weight. Get your heart rate up and boost your metabolism

#### TRX B,I,A

A unique strength building exercise using straps and your own body weight to build cardiovascular health, stamina, core stability and improve posture and balance. This training style WILL provide every tool you need to reach your goals. Fourteen spots available per class.

#### Zumba B,I,A

Focuses on Latin movements with added cardiovascular drills. An hour long class that gets your body moving to the beat and working up a sweat! Each instructor adds their own style. Jayashree combines classic Zumba moves with Bollywood dancing in her class

### Group Cycling B,I,A

A high-energy, fat-burning, indoor cycling workout. No matter what your fitness level, you'll burn calories and have fun! Great music, camaraderie and visualization in fitness results. You can burn an average of 500 calories an opportunity to learn/practice inversions. in a 40-minute class!

#### Deep Water Variations B,I,A

A deep pool, low-impact workout with a high impact on your cardiovascular system. Wear a flotation belt for support in the deep water or rely on your own ability to float as you perform deep water aerobic routines.

#### Deep Water Volleyball B,I,A

A fun full body, deep water workout designed to improve A FREE safe and effective research-based exercise strength and cardiovascular fitness using a safe yet challenging mix of water walking/running and volleyball. Cancer Survivors following the University of

#### Warm Water Essentials B,I,A

Come join Sue learning the art of water tabata. Toning your muscles, straightening your alignment, working on core, balance, and strength all while having fun.

#### H20 To Go B.I.A

This class is low stress on the joints and very beneficial for the body. Various movements are performed while using noodles and water weights to increase resistance and difficulty. The entire class takes place in the warm water pool. All levels welcome!

#### Mahi in Water B,I,A

Pilates mat and reformer exercises adapted to water. Learn the moves of Mahi Pilates easier without the fear of falling and less pain due to high range of motion in the water. Proper alignment, core support, and spine mobility are the main focus of the exercises.

#### Splash HIIT B.I.A

A high intensity aqua class with exercises to increase strength and cardiovascular fitness. Being in the water makes all exercises have a low impact on the joints of the body and still receive all the benefits as if they were to be done on land.

Structured Water Exercise Training program designed to incorporate unique blocks of activity, each with a specific purpose, focused on HIIT, strength and cardio training.

#### Alternative Flow Yoga B,I,A

Alternative voga incorporates traditional voga focused on postures and breathing, but has a Westernized twist. It adds something unique to the mix that will have an added benefit to the body, mind or both.

### Yoga Strength and Balance B,I,A

Strength and Balance are the key attributes for the to develop these qualities. Yoga props will be used to accommodate all participants.

#### Gentle Yoga B.I.A

Includes carefully orchestrated movements, controlled pressure, well-measured stretches, and range of motion exercises. Encourages a highly individualized approach to practice with on-going moment-to-moment adjustments. For those who want a softer, nurturing, slow-paced, well-supported and relaxing practice.

#### Beginner Slow Flow Yoga B,I

Discover the world of yoga at your own pace with Beginner's Slow Flow Yoga class. This gentle introduction focuses on basic poses, mindfulness, breathwork, and relaxation. Chairs available. (not reg.)

#### Mat Pilates B.I.A

Develop core strength, flexibility, balance, and stamina while you lengthen and strengthen your muscles with this highly effective low- impact workout!

#### Slow Flow Yoga B,I,A

A slow paced class designed to rejuvenate and heal the body. Focus is on alignment, strength and flexibility.

#### Vinyasa Yoga B,I,A

Movements are synchronized with the breath while practicing traditional asana (poses) and sequences: sun a complete mind/body exercise program for unparalleled salutations, standing and seated poses, back bends and it's a journey towards unlocking your core's full potential.

#### **Masters Swim**

Improve your fitness and stroke technique with inspired coaching, camaraderie and a convenient work-out to help you reach YOUR swimming goals. (18 yrs and up). fitness, strength and confidence season after season.

#### LAND BASED CLASSES CYCLING AQUATIC CLASSES MIND BODY CLASSES PAID PROGRAMS

#### PALS for Life

program Small Group Training Program for Breast Pennsylvania PAL (Physical Activity and Lymphedema Study) protocol. PALS for Life welcomes anyone who has been affected by breast cancer. A doctor referral and consultation with a physical therapist is required to participate.

#### PALS for Life Bridge Program

Affordably priced small group training for those who have completed the PALS protocol and want to do additional training. This program is based upon the Strength and Courage Project.

#### Living Beyond Cancer

Affordably priced group supported training for cancer survivors. There is mounting evidence that exercise and rehabilitative interventions improve outcomes for cancer survivors. Open to those living with breast cancer and beyond.

#### Pilates Essential Reformer

The essentials of Pilates with the Reformer machine. Sculpt long, lean muscles and challenge your core for a noticeable difference in your posture. Taught by Jenny and Maryann.

#### Staving Active

Learn bodyweight exercises that focus on: Core work, multi-joint and multi-muscular movement to improve flexibility and range of movement. Great functional training for life's activities for individuals with Parkinson's Disease

#### Rock Steady Boxing (RSB)

RSB is a health and wellness program for people with Parkinson's Disease. It's based on a foundation of noncontact boxing, and it's very effective for improving many PD symptoms. RSB focuses on stretching, strengthening, balance, executive functioning, and fine motor skills.

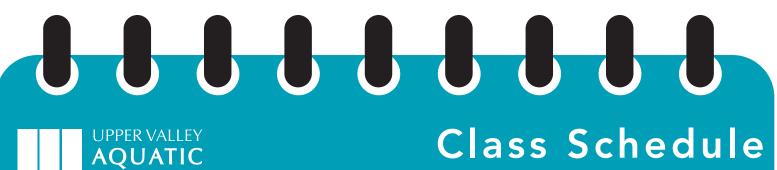

**TribeFIT™** is designed to make you functionally fit. By combining athletic, aerobic movements with functional strength exercises means this program will have you looking and feeling amazing.
