

# UVAC Class Descriptions

## Boot Camp B,I,A

A powerful and challenging workout to improve cardiovascular endurance, muscular and core strength using a wide variety of moves. You will use an assortment of equipment such as steps, bosu balls, body bars and weights.

## Boxing Circuit B,I,A

Learn basic boxing skills while getting a well-rounded workout. This class is designed for all skill levels, and is a great entry-level boxing and cardio class.

## Cardio Kickboxing B,I,A

Cardio-focused with conditioning intervals, encompassing movements from multiple martial arts including karate, Muay Thai and Taekwondo.

## Circuit Training B,I,A

55 minutes of full body resistance training using balls, weights, body bars, bands and intense circuits for a total body workout in a group setting.

## Early Riser Strength B,I,A

A strength class that works the whole body. Use free weights, bands, balls, as well as body weight exercises. Participate in non-stop strength building exercises that will increase muscular endurance and get you ready to embrace your day!

## Essential Conditioning I,A

A whole body workout designed to target all main muscle groups to improve overall strength and mobility. This course uses a circuit structure that includes agility, Resistance, and a variety of equipment.

## Kettlebell Strength B,I,A

A resistance training-based group class focused on improving and maintaining strength and muscle development using primarily kettlebells for a wide variety of movements, but other implements such as dumbbells and resistance bands will be utilized for variety and a well-rounded program.

## Low-Impact Circuit Training B,I,A

A total body conditioning class that incorporated weights, bands, TRX, and balls through various circuits. The class is high intensity, but low impact on the joints, making it great for all ages and abilities.

## POUND B,I,A

Instead of listening to music, you become the music in this exhilarating full-body workout that combines cardio, conditioning, and strength training with yoga and pilates-inspired movements. Using Ripstix®, lightly weighted drumsticks engineered specifically for exercising, POUND transforms drumming into an incredibly effective way of working out. All fitness levels are welcome.

## Power Hour B,I,A

A challenging small group-based circuit style class with timed work and rest periods. You'll be performing various strength and conditioning exercises at a fast pace using dumbbells, kettle balls, TRX, and your own body weight. Get your heart rate up and boost your metabolism.

## TRX B,I,A

A unique strength building exercise using straps and your own body weight to build cardiovascular health, stamina, core stability and improve posture and balance. This training style WILL provide every tool you need to reach your goals. Fourteen spots available per class.

## Zumba B,I,A

Focuses on Latin movements with added cardiovascular drills. An hour long class that gets your body moving to the beat and working up a sweat! Each instructor adds their own style. Jayashree combines classic Zumba moves with Bollywood dancing in her class

## Group Cycling B,I,A

A high-energy, fat-burning, indoor cycling workout. No matter what your fitness level, you'll burn calories and have fun! Great music, camaraderie and visualization in a complete mind/body exercise program for unparalleled fitness results. You can burn an average of 500 calories in a 40-minute class!

## Aqua Zumba B,I,A

It blends the Zumba philosophy with water resistance. There is less impact during this type of class. The water creates natural resistance, which means every step is more challenging and helps tone your muscles. All fitness levels are welcome.

## Deep Water Variations B,I,A

A deep pool, low-impact workout with a high impact on your cardiovascular system. Wear a flotation belt for support in the deep water or rely on your own ability to float as you perform deep water aerobic routines.

## Deep Water Volleyball B,I,A

A fun full body, deep water workout designed to improve strength and cardiovascular fitness using a safe yet challenging mix of water walking/running and volleyball.

## Warm Water Essentials B,I,A

Come join Sue learning the art of water tabata. Toning your muscles, straightening your alignment, working on core, balance, and strength all while having fun.

## H2O To Go B,I,A

This class is low stress on the joints and very beneficial for the body. Various movements are performed while using noodles and water weights to increase resistance and difficulty. The entire class takes place in the warm water pool. All levels welcome!

## Mahi in Water B,I,A

Pilates mat and reformer exercises adapted to water. Learn the moves of Mahi Pilates easier without the fear of falling and less pain due to high range of motion in the water. Proper alignment, core support, and spine mobility are the main focus of the exercises.

## Splash HIIT B,I,A

A high intensity aqua class with exercises to increase strength and cardiovascular fitness. Being in the water makes all exercises have a low impact on the joints of the body and still receive all the benefits as if they were to be done on land.

## S'WET B,I,A

Structured Water Exercise Training program designed to incorporate unique blocks of activity, each with a specific purpose, focused on HIIT, strength and cardio training.

## Alternative Flow Yoga B,I,A

Alternative yoga incorporates traditional yoga focused on postures and breathing, but has a Westernized twist. It adds something unique to the mix that will have an added benefit to the body, mind or both.

## Yoga Strength and Balance B,I,A

Strength and Balance are the key attributes for the physical and mental health of our body. The sequences will lead you through the wonderful practice in yoga to develop these qualities. Yoga props will be used to accommodate all participants.

## Gentle Yoga B,I,A

Includes carefully orchestrated movements, controlled pressure, well-measured stretches, and range of motion exercises. Encourages a highly individualized approach to practice with on-going moment-to-moment adjustments. For those who want a softer, nurturing, slow-paced, well-supported and relaxing practice.

## Beginner Slow Flow Yoga B,I

Discover the world of yoga at your own pace with Beginner's Slow Flow Yoga class. This gentle introduction focuses on basic poses, mindfulness, breathwork, and relaxation. Chairs available. (not req.)

## Mat Pilates B,I,A

Develop core strength, flexibility, balance, and stamina while you lengthen and strengthen your muscles with this highly effective low-impact workout!

## Slow Flow Yoga B,I,A

A slow paced class designed to rejuvenate and heal the body. Focus is on alignment, strength and flexibility.

## Vinyasa Yoga B,I,A
